

Submitter: Philip Quarterman

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I support HB 3076....I believe annual inspection of firearms dealers is the least we can do to ensure that sale of guns is properly regulated. At present, the rules are far too lax. Complaints by opponents of this bill are unwarranted. Other service providers are much more frequently inspected, and so should firearms dealers.
