On Behalf Of: Chintimini Wildlife Center
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB1131

Support SB 1131. The Chintimini Wildlife Center does so much good for the community, with educational programs for the people and necessary help to our wildlife. This much needed funding would help to ensure the Center could continue this important work. They would be able to build and upgrade enclosures for the animals in their care, and help keep general operations going so they could focus on their important work.

Thank you, support SB 1131.
