

Submitter: Steve Hazelett

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I oppose any and all restrictions on my rights to defend myself, my family and other citizens against tyranny (including government oppression.

I oppose placing undue hardships on FFL's to appease liberal government attempting to usurp our rights in firearm ownership. I oppose any attempts to backdoor removing our opportunities to purchase and own firearms as a legal citizen of the USA.

I oppose the illegal firearms black market that will arise and provide more criminals opportunities to have firearms while making us criminals.
