Measure, Appointment or Topic: HB3076

I stand in opposition of HB3076, it puts increased financial burden on Oregon FFL delaers as well as the already heavily taxed citizens of Oregon. The more fees and taxes that are set on firearms will disproportionately effect low income families and individuals weather it be to engage in hunting activities or having the ability to defend themselves from the ever growing lawlessness in Oregon. There doesn't seem to be any info on financial impact on the state, as well as it also appears to set up an unconstitutional firearm registry.

Thank you
