

Submitter: Bruce Seymour

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Gun Dealiers need regular inspection with transparent detailed sales history registers to provide full compliance with Oregon law. As a former NRA member I support the legal ownership of guns by competant trained citizens who store wheapons and ammo in locked enclosures to help KEEP KIDS SAFE. I'm appalled and sickened that death by guns is the leading cause of childhood death in the United States. A tightly regulated gun sales system is but one step in derailing this preventable problem.
