

Submitter: scott weech

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

this is a HUGE violation of both the state, and federal constitution! there is NO permit process in place! how does a citizen prove that a magazine that was bought for cash at a gun show 30 years ago complies?? the vast majority of citizens in counties outside of portland, salem and eugene voted against this treason.

thanks, scott weech
