I very much support SB 1131!!! Please approve this bill to grant ongoing funds to the Chintimini Wildlife Center in Corvallis. They rehabilitate soooooo many animals every year, and their number of patients keeps increasing rapidly each year. This is one of the most practical, on the ground efforts to help wildlife in the area, and we need them! I've volunteered with them and know first-hand how much work all the staff and volunteers put into caring for injured wildlife. Expanding the public-viewing area would bring even more money in, and help the community know what they do.

Thank you,  
Christina
