

Submitter:	Ben Matheny
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

I am an Oregon resident writing to support funding for the Chintimini Nature Center. They provide an invaluable asset to the public, both by accepting wildlife for rehabilitation and by providing nature education, especially during times of environmental crisis such as wildfires and outbreaks of zoonotic diseases. The quality and need for their services is apparent. Please support developing sustainable, long term funding to maintain and develop their rehabilitation and education programs.
