

Submitter:	Simone Sienkiewicz
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

Chintimini Wildlife Center is dedicated to rehabilitation of injured wildlife, and education of the community to ensure both humans and animals can interact safely and coexist. This center aims to provide the important and necessary care to the charismatic animals that make Oregon the beautiful place we get to enjoy. This bill will allow Chintimini to further the amazing work in conservation and education; this center and the work they do deserves our full support. Thank you for your consideration.
