

I strongly oppose HB 3076! It is unthinkable to me that this kind of bill is even being entertained here in my beloved state of Oregon.

I did not serve our country, and our state in the United States Army, and Oregon Army National Guard. Nor did I vote for you into office, and continue to pay taxes from which legislators salaries are derived. Just so you all can infringe on mine, my family's, and my neighbors RIGHTS to protect ourselves. As well as interfere with my children's ability to engage in sporting events which involve firearms.

None of is this of "of the people, by the people, for the people." This behavior is draconian, tyrannical, and sedition of the highest order!

This bill, and all who support it are completely out of line. For those who have sworn by oath to protect and defend the constitution, and now betray their oath to it May the harshest, just, consequences come upon them.
