Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

As a community member who donates to Chintimini Wildlife Center, I encourage the passage of Senate Bill 1131. Our natural world is a true treasure for Oregon and protecting it should be among our highest priorities. By enabling the Wildlife Center to open a public Nature Center, increase their educational services, and care for our precious Oregon wildlife, this grant would be money well-spent.
