Measure, Appointment or Topic: HB3076

I am opposed to this attempt at usurping my constitutional rights... this word salad has a un reasonable and financially burdensome impact on the poor and elderly... as a veteran I have swore an oath to protect and defend our constitution... twice... this legislation is counter to the United States constitution and should be rejected period. The cost to the state will be huge... the burden on our citizens our law enforcement and communities will bankrupt law abiding citizens for no good reason... this bill will reward the criminals and harm the rest of us.
