On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I am writing to ask you to support HB 3076 Relating to gun dealer license.

This bill would help ensure that gun dealers, like many other industries such as restaurants, salons, nail shops, etc, follow required safety laws. Such businesses are inspected every year. Why should we not have this same rule for the most deadly industry, so these dealers can be held accountable to basic business standards?

States with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%.

Please vote yes to support this important bill.
