

Submitter: HARRIET SHAKLEE

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Please support H3076 to strengthen gun safety in Oregon. A state gun dealer licensing program would enable accountability in the process of gun sales, ensuring that dealers obey requirements in the state. Each month (sometimes more often) there is a scary mass shooting, often involving children. This is one step the state can take to provide oversight for this industry which has brought so much harm to Oregon residents of all ages.
