

Submitter:	Amy Becker
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

There were several times we took injured animals to the wildlife center. It has saved countless wildlife, usually due to man made accidents. We have taken mainly birds and squirrels, to the center. It also has wonderful programs to educate the public. If anything, we need more protections for wildlife, not less.
