

Submitter:	Sheila Buchholz
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

I am an animal lover and actually live near the old Turtle Ridge sanctuary and have brought injured animals there for help. As mentioned in the senate testimony, it is now closed. As humans, we are usually the cause of many of these animals being injured be it car related, fire related or simply reckless and negligent intentions. I support funding the Chintimini Wildlife Center to help educate people and provide help to the animals in the area.
