On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

There is no excuse to sloppy, deregulated sales of guns to even the most honorable of Oregonians. We are all in this together. Gun rights, Gun ownership rights, the right to kill - these are taking priority over our right to live daily lives free from the fear of being taken out by a bullet? Please: HB 3076 now!
