

Submitter: Ronette Berg  
On Behalf Of: Self  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3076

I oppose HB3076 as it is unconstitutional and will make it almost impossible for law abiding citizens to purchase a firearm. This will NOT stop criminals from buying guns. They don't buy them legally anyway! Please, STOP this measure along with 114. It will also cause law abiding small business owners to be forced out of business.
