Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1131

My children, husband and I have used Chintimini Wildlife Center as a valuable resource to support us in living with and preserving local wildlife, especially injured animals. I have also taken my children to tour the Center to meet our wild neighbors and better understand how to steward the environment we share. I know the Center struggles financially and have contributed to it. I would welcome an extension of its unique invaluable services.
