Measure, Appointment or Topic: HB3076

Dear Members of the House Judiciary Committee,

I am writing you in opposition of House Bill 3076. The gun industry is already highly regulated by the ATF. Gun stores and gun smiths already go through a very strict process to become an FFL. We have so many laws on the books already, these laws need to be enforced. HB 3076 is an overstep on our 2nd Amendment and Oregon firearm Constitutional rights. This bill is just another way to make it harder for law-abiding citizens to exercise their constitutional rights. This HB along with HB 3075-1 and the 4 Senate Bills are an obvious push to implement extreme restrictions on repair, service, and sale of firearms. This bill if implemented will shut down small and large legally operating gun shops and gunsmiths. I am asking you to vote No on HB-3067. Thank you.
