Measure, Appointment or Topic: HB3076

I am writing in support of HB 3076. I live in rural Gaston, Oregon. There are many guns here, we hear them almost daily.

I would like to know that all of those guns were purchased legally by responsible gun owners. Ensuring that gun dealers and other sellers are following the law should be a basic first step.

I strongly support inspections for such dealers so that the public can trust that they are following the law and helping to keep Oregonians safe.

Please pass HB 3076.
