

Submitter: Kim Norris

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2403

HB 2403 would set forth local “predator damage districts” to kill any Oregon wildlife (i.e., wolves, bears, bobcats, foxes, cougars, beavers, coyotes, etc.) deemed a threat to private property, without having to use or consider non-lethal methods. This is unacceptable.

Nonlethal wildlife conflict reduction should always be prioritized, and we should not be increasing any funding that goes toward killing wildlife using inhumane methods.

Please stand with the majority of Oregonians and OPPOSE HB 2403. Thank you.
