

Submitter:	Sean Collins
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

I am writing to support SB 1131 and the funding it would provide Chintimini Wildlife Center. As a former volunteer, I saw firsthand the amazing work the center does. I live in Salem and as we have no similar organization here, I worry about the future of the organization if it is not able to grow to meet the rising needs of animals in our region. I believe in the work they do and hope you do too. Thank you.
