To the Senate Committee on Healthcare,

I appreciate the motivation behind SB 1000, but this bill isn't the right way to support a local hospital like Bay Area Hospital. The Hospital Board has been very clear that they intend to sell off the hospital's contents and lease the real estate to Quorum Health. Oregon taxpayers shouldn't be on the hook to sweeten that deal.

Please consider UFCW's Shared Responsibility Plan. I, as well as 56% of voters in the region, prefer this plan to a private equity sale/lease.

With regards,
