Wildfire

Measure, Appointment or Topic: SB1153

Dear Chair Golden, Vice Chair Nash, and Members of the Committee,

Please support Senate Bill 1153.

Protections for fish and wildlife as well as water quality is critical. Please close this loophole that allows the Oregon Water Resources Department to approve applications for water right transfers without adequately considering what consequences there will be for fish, wildlife and water quality.

I urge you to support SB 1153.

Sincerely,
