Measure, Appointment or Topic: HB3076

HB 3076 will provide balanced, thorough and sensible procedures to assure the gun licensing dealers in Oregon comply with background checks. Citizens in Oregon have a right to an administrative system which supports their wishes to be safe from untrained gun owners. This supports the theory and elements which comprised Measure 114 which was supported by Oregon voters and which has been so tragically held up in court appeals since passage. HB 3026 is a important administrative step moving forward. Thank you!
