

Submitter: Mitchell Stargrove

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or
Topic: HB3932

I strongly support protecting Oregon's beavers and streams. I actively support the work of Tualatin Riverkeepers and ONDA, especially in conservation and restoration work. Gaia gives us all on the earth and we must act with respect. Thank you.

Sincerely, Dr. Mitch Stargrove
