SB429

I oppose this unconstitutional law. These so called "Gun Safety," laws do nothing but infringe on normal everyday law abiding citizens. It will do nothing to stop criminals. These bills are just "feel good" legislation for Democrats who do not even know the basic fundamentals of firearms or firearm ownership. The same people who refer to Semi-Automatic firearms as "Full Semi-Automatic." The basis on which our nation was built consists of colonists resisting the British crown with their legally owned firearms. The founding fathers felt firearm ownership was so influential they deemed it 2nd to free speech itself. The founding fathers would be rolling over in their graves if they knew what you were trying to do. What about the millions of Americans who gave the ultimate sacrifice for our freedom. Shame on you for trying to infringe our CONSTITUTIONAL rights that SHALL NOT BE INFRINGED.
