In the case of Jones v. Bonta, a 2-1 panel of the 9th Circuit Court of Appeals found that California's law restricting rifle purchases by 18- to 20-year-olds was unconstitutional, stating it infringed on the Second Amendment rights of young adults.

I know you are willing to snub SCOTUS but are you really going to defy the 9th Circuit? Do you think this won't make it to the 9th Circuit? Hopefully our own federal judges will know the 9th Circuit ruling and strike it down! Furthermore there are currently multiple Federal circuit splits on this issue which means that the Supreme Court will be deciding this issue. I think we know how they will rule.
