Senate Committee On Rules

Measure, Appointment or Topic:

SJR1

Dear Committee,

I strongly support SJR 1, as I would support any measure that would cap or reduce the tax burden on Oregon citizens. While my wife and I receive far more benefit from our local property taxes than we do from our state income tax, I can see our property taxes payments becoming burdensome in the years to come. This is especially true given the Legislature's efforts to extract even more property tax revenue from us via HJR6 and HJR8.

Please vote to move SJR 1 forward. Thanks!
