

Submitter: Barb Chatfield

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB696

Supreme Court struck down the ban on bump stocks. Why are we making it illegal in Oregon? You are forcing a law on Oregonians that is legal in every other state. This will not decrease any violence in Oregon as for your information, criminals do not abide by the law. The justice system needs to do their job .

I vehemently oppose this attack on our second amendment rights and urge you to oppose it also.
