

Submitter:

Billy Chatfield

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

Last summer the supreme Court lifted the ban on bump stocks. It is legal in every state and Oregon wants to make it illegal. Stop treading on our second amendment rights. Criminals do not abide by laws , so this bill will not decrease any violence. The justice department needs to hold criminals accountable for us to see any measurable change in violence.

I oppose this bill and urge you to oppose it also.

Thank you.
