People 18 and above are allowed to join the military where they will be using various types of guns. So I'm not sure why this bill wants to make it so a person has to be 21 before they can have a gun. If the 18 year old goes home on leave from the military, now they can not go hunting with their parents? How stupid is this. Stop restricting our second amendment rights.

I oppose this bill and urge you to do the same.

Thank you.
