

Submitter:

Evie Zaic

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SJR28

I support the People's Right to a Healthy Environment, Senate Joint Resolution 28. We need this bill in our constitution to secure our fundamental right to clean air, clean water, and a stable climate to survive and thrive. We need to protect the environment for generations to come. I ask you to support this bill.
