

Submitter:	Jennifer Gold
On Behalf Of:	ONDA
Committee:	House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic:	HB3932

Please bring back our healthy watersheds by encouraging natural recovery through the protection of beavers, our state animal, from trapping or other forms of elimination. These attacks on beavers, the monitors and builders of healthy watersheds and the ecosystems they support, must be curbed and eliminated by passage of HB3932.
