On Behalf Of: Oregon Unitarian Universalist Vlices for Justice
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SJR28

As people of faith, we are deeply committed to the web of life. We wish to support all living things. We must be a voice for them. This dear earth gives oxygen, water, indeed lifeto all. We need to protect it and give back to it generously. Please give people in Oregon an opportunity to have a voice in this.

Thank you for all that you are working on for the people of Oregon.
