SB429

I never understood why people don't read the Constitution or always try to rewrite it. It is not there for you rewrite. I clearly states that these rights shall not be infringed upon. Why are you constantly trying to whittle away at out God given rights as Americans? It is my hope that you folks in Salem take a good hard look inside your souls and realize what it is your doing to this once great state and our country by inciting these ridiculous ideas that harm good and lawful citizens therein. And it is my hope that you do take this to heart.
