Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3944

Dear members of the House Climate, Energy, and Environment Committee, I am writing to express my enthusiastic support for House Bill 3944. This crucial legislation addresses the pressing issue of wildfire risk in Oregon's wildland-urban interface areas.

I commend Representatives Drazan, Levy, and Owens, along with Senators Hayden and Smith, for their leadership in sponsoring this important legislation. Their commitment to protecting Oregon's communities while respecting local decision-making is commendable.

This bill strikes the right balance between safety and flexibility, allowing for tailored approaches to wildfire risk reduction across our diverse state. I urge the committee to support HB 3944 and move it swiftly through the legislative process. Thank you for your consideration of this vital issue.
