

Submitter:

Robbie Earon

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SJR28

Everyone deserves a clean, safe, and healthy environment. With increasing wildfires, climate change, and polluting industries such as cafos, the proposed Zenith Energy project, trying to move into Oregon, the state is constantly under threat of more pollution. I ask for your support of this bill.

Thank you for the opportunity to comment on this very important step forward.
