Environment  
Measure, Appointment or Topic: HB3932

Dear Chair Rep. Lively, Rep. Vice-Chair Gamba, Rep. Vice-Chair Levy and members of the committee,

I strongly support HB3932, which will aid in protection of beavers in areas crucial to the health of our rivers. This is NOT an anti-hunting measure; the issue here to to establish a natural balance to ensure the purity and beauty of our rivers. Let nature do the work for us and help keep this balance.

Thank you,  
Augusta Vesecky
