

Submitter: Wally Sykes

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR28

Chair Jama, Vice-Chair Bonham, Committe Members:

I support SJR 28.

Nationwide, our environmental quality is under renewed threat by the current administration. It behooves Oregon to take what measures it can to resist this onslaught and protect our environmental values.

Please support SJR 28. It has never been more necessary.

Thank you.
