Measure, Appointment or Topic: SB75

Dear Chair & Committee Members,

I STRONGLY OPPOSE SB 75. HB 3944, SB 83, and SB 678 all repeal the the "statewide wildfire hazard map" through bi-partisan efforts. There is ABSOLUTELY NO NEED to add to ORS 215.495 this language because the map is going to have a full repeal of the Wildfire Hazard Map. Any new regulations regarding the approval or siting of dwellings will be null and void.

Please remove this bill from the agenda.
