

Submitter:

Mark Dowdy

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

The only result of this law if it is adopted would be to remove any chance of someone stopping a rape, murder or mass attack. Obviously rapists, murderers and mass killers will not obey this law nor be hampered in any way by it. A vote in favor of this law is a vote in favor of protecting rapists, murderers and mad men. Disgusting.
