Re: HB 3349, HB 3350

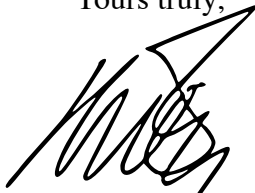

Dear Chairwoman Tran, Members of the Committee,

I previously wrote in support of House Bills 3349 and 3350 on behalf of the Frenchglen Rangeland Fire Protection Association.

It occurred to me that the Committee would be interested in pictures of a surplus military vehicle that Frenchglen RFPA uses in fighting rangeland fires. This truck was put to use in 2024's Solomon Fire a few miles south of Frenchglen this past September.

It is attached on the second page of this letter.

Yours truly,
