

Submitter: Tammy Redey

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB429

I strongly oppose this bill and all other bills regarding our gun rights. I feel all of these bills are infringing on our constitutional rights to bear arms in order to protect ourselves. The criminals won't abide by any of these new draconian rules prevents law abiding citizens the right to protect ourselves.

It's clearly against our constitutional rights.
