

Submitter: Delores Porch

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB2403

If you had a business and you spent millions of dollars to solve a problem and the problem kept going on year after year, would you create a new program with the same solution? That's what predator control damage districts does not do. It does not solve a problem that hasn't been fixed by USDA Wildlife Services. Killing wildlife over and over again without addressing the factors that are involved with why this method does not work is waste, fraud and abuse.
