Measure, Appointment or Topic: HB2403

To the Members of the House Committee on Agriculture, Land, Natural Resources, and Water. I ask the members to reject HB 2403 which seeks to establish a process for creating special districts. This process was tried under HB 3188 for a pilot program and was repealed on January 2, 2022. I oppose the attempt to reinstate such districts, please join me in this opposition. Thank you!
