Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB712

I oppose SB712 since raising property taxes each year will make it difficult for fixed income/retired folks as well as creating a further gap in new and existing homeowners who are barely able to own a home being able to afford a home. Find ways to be more fiscally responsible if additional funds are needed. It would be great to listen to the people, especially as many are contemplating leaving Oregon due to all the regulations and increased taxes being considered.
