

Submitter:	Meg Carman
On Behalf Of:	Beavers
Committee:	House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic:	HB3932

I recently read Beaver Land in my book group. I had no idea how important Beavers are for us, the land, the community and for our survival. They help with flooding, they are so important for the environment. Please, please save the beavers. Our earth needs them and we need them. Thank you.
