Measure, Appointment or Topic: HB2403

Please Oppose HB 2403. In 2023 124,826 native animals in Oregon were killed by using cruel killing methods: poisoning, neck and leg snares, steel-jawed leghold traps, cage traps, aerial gunning and gassing of coyote and fox dens with young pups. We should NOT be increasing the funding of wildlife killing using inhumane methods. Especially when nonlethal methods can often be used and aren't.

Sincerely,

Jan Asher
